Please review the attached Expenses for February. Then please 'Respond All' to Yes, pay the bills. Or No- and list which claims you would like held. This will constitute an electronic quorum for us to pay the claims on time. This will be approved at the March meeting. All documentation from this email chain will be printed and constitutes a public record.

Notes on Claims:

Admin- Official Publication and Legal Notices- this is the accumulated costs of advertising the summer job positions.

Ops- Road signs, Electrical and LP are the high cost items. All routine.

(REAP- There are no claims in REAP and no report attached.)

Reserve- There is a \$100 fee for the Strawberry lions club for them directing traffic at Heritage Days. The other claim is Fehr Graham PreEngineering on the Trail. We are nearing the final contract amount. And we will review the Construction contract at the March meeting.

Please let me know if you have any questions. Please respond by February 13 at 5pm.
